A sampling of our town's accomplishments during my term as mayor:

- .Completion of the community center/library

- .Completion of a project upgrading our town water system including a 1,000,000 gallon water tank to better serve the needs of our residents, tourists and fire protection.

- .Beginning our Zion Canyon Trail

- .Creation of ZC3 (Zion Canyon Corridor Council) which was established to preserve the SR9 corridor. Members of this group include Springdale, Rockville, Virgin, LaVerkin, Zion National Park, BLM, SITLA, UDOT and Washington County

- .Establishment of Zion Canyon Police Department, serving Springdale, Rockville and Virgin

I commend our Planning Commission for all their hard work on these important ordinance changes:

- .Revision of the Central Commercial Zone to encourage more inviting and walkable areas and discourage sprawl.

- .Revision of the landscaping ordinance

- .Creation of an outdoor lighting ordinance to protect our amazing night sky

- .An ordinance protecting views in the foothill residential zone

I'm optimistic that in the next four years we can accomplish as much as we have in the past four. I need your help with the decision making process. I'm in the town office Thursdays from 9:00am to 5:00pm.
